AIR JORDAN

\$903

The AJ1 'Chicago' was inspired by the high-top Air Jordan 1 original colourway, first released in 1985. The shoe harkens back to a time when shoe boxes were often lost in inventory stockrooms, only to be found again years later.

NIKE AIR MAX

Alpha Trainer 5 Men's Training Shoes

\$ 98

Finish your last rep with power and rack it with a roar that stuns the gym floor in the Nike Air Max Alpha Trainer 5. Max Air cushioning offers comfortable stability for lifting whether it's a light or heavy day. A wide, flat base gives you enhanced stability and grip for all kinds of tough workouts without sacrificing style, as you roam from station to station and set to set.
